

What Matters Community Luncheon: Our Kids

April 26, 2017 • Raleigh Convention Center • 10:00 am Pre-lunch Sessions • Noon Lunch & Program

Triangle Community Foundation is proud to host this popular event each year to focus on issues that matter to our region. The *What Matters Community Luncheon* begins with dynamic morning workshops and culminates in a lunch program featuring a keynote speaker and awards presentations.

This event attracts more than 500 corporate, civic, philanthropic, academic, healthcare, religious and nonprofit leaders. At the event, we present two Philanthropist Awards focused on community members and an Innovation Award to a nonprofit collaboration.

We promote the event through traditional and new media, and tickets are available for purchase by the general public. Event proceeds go to the *Fund for the Triangle*, which supports local programs in the arts, community development, environmental conservation, and youth literacy.
