# WHAT MATTERS: **OUR KIDS**

## **LEARN**

Take time to learn about and understand the issues surrounding access to opportunity in education, and who our kids are.

## **SHARE**

Spread what you learn, in your circles and more widely. Be an advocate for our kids.

## **CONNECT**

Work with the organizations who are directly addressing literacy in our community through their involvement in the Campaign for Grade-Level Reading. Volunteer your time, talent, and treasure.
