Triangle Community Foundation: Your Partner in Giving

You care about improving the community around you, and providing access to education for students that will have a lasting impact. We do, too. We believe that our scholarship funds are a meaningful way to connect with individual local students, see the impact of your gift on their lives directly, and witness your long-term legacy from the beginning.

At the Foundation, we have the community knowledge and expertise to provide insightful guidance as you set up and manage the fund, transforming your compassion into action. Your scholarship gift will have a long-lasting impact on the student's lives and the community, a legacy that you can be proud of.

Benefits for You

We know that you want to make a difference locally for years to come, while serving as a catalyst for change for students seeking higher education. When you open a scholarship fund at Triangle Community Foundation, we offer a program guided by experts in the field and informed by current students, with opportunities for engagement at various levels.

- Target your desired student group
- Set outcome goals
- Flexibility to adjust annually for maximum impact

- Receive updates from students
- Multi-year scholarships receive annual reports detailing academic and career plans, sometimes including pictures

- Participate in the selection process (optional)

Visualize the Impact of your Gift

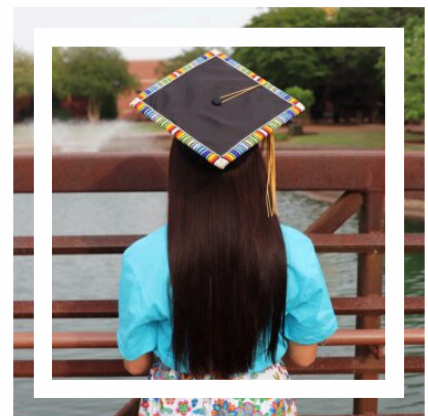

“Because of scholarship funding, I was able to come out of college with as little debt as possible, and am grateful for that.”

What Our Donors are Saying

In a recent survey of existing scholarship fundholders, our donor's goals ranged from the ability to positively impact students, increase college access, and enable students in the community to attend college when they may not otherwise be able to do so. The Foundation is honored to play a role in helping donors and students achieve their goals.

In their own words...

"I find meaning from knowing that I am supporting individual students in accessing and completing higher education."

"It gives me great joy to read through this [information about the recipients] and know that these students are so deserving. I'm thrilled and deeply emotional."

"The Foundation staff are fantastic partners. They have made this experience better than we could have imagined. Professional, helpful, and always available when we have questions."
