
Thank you for your gift to Triangle Community Foundation!

We welcome and accept gifts of public or private stocks, government securities, and wire transfers. They can be easily transferred from a donor's account to Triangle Community Foundation's account via depository transfer check (DTC). After receiving a transfer, the Foundation will email an acknowledgment letter for tax purposes to the donor. Gifts may be viewed online on the donor portal when they are recorded by the Foundation. The Foundation's Tax ID # is 56-1380796.

Please use the instructions below. If you have any questions, our experienced staff are available to assist you with making your gift. Contact our Donor Services line at 919.474.8363 and ask to speak with your fund liaison.

Gifts of Securities

A stock contribution is valued based on IRS regulations. The value is determined by the mean of the high and low value of the security on the day it is credited to the Foundation's brokerage account or the day that the certificate is in custody of the Foundation.

Contact Donor Services at 919.474.8363 or donorservices@trianglecf.org to request Foundation brokerage account information and to notify the Foundation of the following prior to stock transfer:

- o Donor's name and contact info
- o Broker's name, firm, and contact info
- o Name of stock and number of shares transferred
- o Date or proposed date of transfer
- o Name of the Foundation's charitable fund to receive the transfer

Please note: DTC transfers of securities are received anonymously. **To track the gift's arrival and ensure that it is credited properly, please notify finance@trianglecf.org of the above before initiating transfer.**

After receiving the gift by stock transfer, the Foundation will initiate a sale of the stock; proceeds will be transferred to our bank account and recorded within 7-10 business days.

If the stock is held in certificate form, is subject to restrictions, or requires special attention, please contact our finance email listed above for help.
